My dear Mrs. Manley:

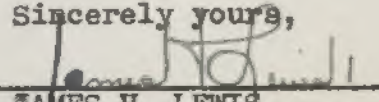

I regret that I found you ill Saturday when I came to see you concerning the Charity Baseball Game. I am also in receipt of a letter from the Community Hospital Guild, stating that they have agreed to sponsor the Charity Baseball Game on August 6th, 1940.

They informed me that they were pleased to invest the sum of \$100.00 to be used toward defraying initial expenses. The other units of the hospital which I have contacted, stated that they are in no financial position to give anything toward initial expenses, but are willing to cooperate with whoever would support the game.

You stated that it would take in the neighborhood of \$150.00 for initial expenses. We will have to try and see if we can get this from some other source. The members of this Guild stated that they would like to have a meeting with you either Tuesday or Wednesday, but since you are ill, we will have to put it off until you find it convenient to meet with them. When you find it possible to do so, please let me know in advance so that I might contact the Guild. We feel that this group of women are very energetic and will do a grand job in putting over this Charity Baseball Game. The members of this Guild are: the Mesdames Violette Blake, President; Marie Keller, Vice-President; Helen Duncan, Secretary; Cornelia Simmons, Treasurer; Marion Sandoz, Cor. Secretary; Minnie Bell, Theodesia Bryant, Olga Clanton, Helen Howe, Grace James, Alberta Poindexter, Nancie Shepard, Susan Robinson, Mary Warren, and Daisy Williams.

Hoping for your speedy recovery, we are,

Sincerely yours,

JAMES H. LEWIS
Superintendent
